

Have You Heard?

by Dorothy McCain Elsenius

We understand that some of the members of Bayview Auxiliary are planning to donate to their Crippled Children's Fund next Christmas, instead of sending the usual greeting cards. As they state in the Bayview Bulletin: "Understanding the fact that holiday cards are meant as a gesture of friendship and well meaning, who needs it—someone you see once or twice a week all year long, or some crippled child who is most often in desperate need of love, affection and help?"

In a recently published long list of Albany High Twelve Club members, only two names stand out as being 100 percent on the attendance list. Newly-installed president, Ted Fairclough, and club member Lowell Young attended all 42 regular club meetings last year. Congratulations fellows—now, how about the rest of you???

Former customers of the old Mitzel Meat Market on San Pablo Ave. may be interested in what has happened to "Mickey" Mitzel and his vivacious wife, "Katey." They are both alive and well, and living in Richmond. Mickey was badly injured in a fall from a painting scaffold a few years ago, and had several operations to correct damage to his ankle and heel.

Following these operations, he suffered several severe heart attacks, but is now getting along fine, thanks to a valve replacement operation by world famous Dr. Shumway, and some good nursing by wife, Katey. The doctors recently gave Mickey permission to drive a car, which has made him very happy.

And while we are speaking about former area residents, Fred Mitzel, former Fire Chief of Albany, is another who is getting along fine, in his retirement.

Fred has become quite a "gentleman farmer," on Bethel Island, and, although to hear Fred tell it, he's working harder than ever, he really seems to be thriving, while raising vegetables, chickens (and eggs), pheasants and other fowl, and doing odd jobs in his spare time.

We made a "boo-boo" last week when we reported that Golden Gate Fields would open on Feb. 12. However, after receiving a call from a worker at the track, we checked and found the opening date is Tuesday, Feb. 22. Closing day will be June 17.

Chief Warrant Officer David Shore, his wife, Ingrid, and their five children, spent the holidays in Albany with Dave's parents, Mr. and Mrs. Owen Shore, before moving for Dave's new post in El Paso, Texas.

The officer, who recently returned from a tour in Germany, had not seen his parents and friends for the past 2½ years.

Opening Day At GG Fields Cross Vandalized Again

Advance sale tickets for Opening Day at Golden Gate Fields, are now available through the American Cancer Society's local offices.

Mrs. H. Frost Prioleau, general chairman of the February 22 event, which will benefit the Society's programs of research, education and service to cancer patients, announces that the advanced tickets may be obtained for \$7.50 per person.

Opening Day at the popular race track has long been considered as one of the most important events of the early spring social season.

Included in the ticket price is admittance to the Turf Club and the buffet luncheon in the newly expanded Terrace Room.

The affair will begin with a no-host cocktail hour at 11 a.m., followed by a noon luncheon. Post time will be promptly at 1 p.m.

Tickets may be obtained from Mrs. Prioleau, 111 Woodland Way in Piedmont, or the American Cancer Society, 477 15th Street in Oakland.

It's A Boy

Garrett Thomas Oaks made his debut at Alta Bates Hospital in Berkeley on December 13, 1971, weighing in at 9 pounds 5 oz., and measuring 21½ inches long. Proud parents are Mr. and Mrs. Thomas Oaks of Richmond (Mrs. Oaks is the former Kay Sciaccaro of Albany).

Grandparents are Mr. and Mrs. Angelo Sciaccaro of Albany. Proud uncle is Dominic Gay, owner/operator of Gay's Delicatessen on Solano Ave. for many years.

Ticket Deadline

The sale of tickets for the Albany Lions Club Crab Feed, to be held Friday, Jan. 28, will positively end on Thursday, Jan. 13, and there will be no tickets sold at the door.

The Lions have promised plenty of good fresh cracked crab, along with salad, baked beans, hot French bread and your favorite beverage, for all who purchase their tickets in advance.

Dinner will be served from 7 to 8:30 p.m., at the Veterans' Memorial Building, Portland and Ramona, and will be followed by dancing until 1 a.m.

Tickets are still available at \$5 each, at Call Brothers Jewelers, Chelmedos Market, Drozda's Service Station, Mary and Joe's, McDonald's Hamburgers, Richard's Jewelers or from any other member of the Albany Lions Club.

Remember, no one will be admitted without a ticket, and none will be sold at the door.

OPEN LETTER TO ALBANY

Now that I am once again a private citizen whose opinions cannot be construed to represent a definite position of any group or organization, I should like to share a child's poem of years ago with the citizens of Albany, including the professional staff of the school district, and especially future campaign workers, before the typical Albany electioneering starts:

"There is so much good in the worst of us, and so much bad in the best of us, that it doesn't behoove any of us,

Vandals have again attacked the Lions' Cross on Albany Hill. Albany Police Dept. records show that many of the illuminating globes on the cross were stolen just before the holidays, and a more recent report indicates that someone now has taken the dedication plaque.

In further reports from the Police Department, an El Cerrito resident, Gary Petrozzelli, forgot to destroy an envelope bearing his name and address, which was in one of the 19 bags of garbage he left at the dead-end of Taft on Albany Hill. Police were able to contact him and order him to remove the bags or face arrest for littering.

Three Richmond juveniles ran straight into the arms of an Albany Police Officer while fleeing, after robbing the cash register at Tom's Charcoal Broiler on San Pablo Ave.

While one juvenile started a fire in a rest room waste basket to attract the night man's attention, the others ransacked the cash register. However, employee Harry Hanski became suspicious and set off the silent alarm. Officer John Megonnigil, who had been alerted via his car radio, was in the right spot at the right time and captured all three, with the loot.

Nomination Papers Ready

Nomination papers for those who wish to run for office in the Albany Municipal Election on April 11, will be available January 13, at the City Clerk's Office, City Hall, 1000 San Pablo Ave.

Deadline for completing and filing will be noon, February 3, according to City Clerk Althea Ippolito.

Four city positions will be open, including three council seats and city treasurer. Council positions up for election are currently filled by Mayor Hubert Call, and Councilmen Richard Clark and George Hein. The City Treasurer, Marietta Ferreira, indicated she would not be seeking re-election, as she plans on retiring in April.

Two full-term Board of Education positions will also be open—the seat recently vacated by the resignation of Anita Tronoff, and that currently occupied by long-time Board member, Milton Porter.

So far, no one currently in office has indicated he will run for re-election, nor has any Albany citizen announced his candidacy for any position.

to talk about the rest of us."

These simple words cause one to remember the Eighth Commandment: "Thou Shalt Not Bear False Witness Against Thy Neighbor." False witness in daily life can include "Deceitfully belie," "Betray," "Slander," "Defame," "Judging and condemning." False witness of this type has prevailed during past elections. Nothing is gained as all are hurt; our system of government by the people, the individual, and most of all the children can be the ones most seriously hurt.

League Seeks Old And New Sponsor

Although Albany Little League sponsor renewal pleas have been mailed a bit later this year than in years past, they are making up their tardiness in size.

Instead of the usual legal size letters in regulation sized envelopes, this year manilla envelopes, containing the renewal plea and each sponsor's certificate, have been combined in a single mailer to give the sponsor an early start in displaying his certificate to his customers.

Albany Little League has always urged Albany residents to patronize their sponsors, who each year donate to support this city's largest youth organization and new sponsors are always being sought.

A single boy may be sponsored for \$15 per year, and a complete team's sponsor fee is \$200, with the exception of the Big League teams, which run slightly higher. Sponsors' donations are tax deductible.

Information regarding sponsorship may be obtained by writing Albany Little League, Inc., P.O. Box 6002, Albany, or by phoning Fern Luoma, 526-1311.

Expanded Duties For '72 Maid of Albany

The 1972 Maid of Albany contest promises to be the most exciting and rewarding one ever held, according to Dennis Monroe, Albany Jaycee president, who announced that applications for entering the Pageant, which will be held February 11, are now available at the Chamber of Commerce Office, 1108 Solano Avenue and the Albany Times Office, 1240 Solano Ave. Applications will also be mailed to interested persons who call 524-8100. Deadline for entering has been set for February 3.

This year's contest will take on new dimensions, and in addition to her regular duties of representing the City, the Chamber of Commerce, and the Albany Jaycees, this year's winner will also be the official hostess for Golden Gate Fields and will take part in various functions at the newly remodeled race track, and will receive compensation for her appearances.

The 1972 Maid of Albany will also make personal appearances for the City and the Chamber of Commerce, such as the Chamber of Commerce annual installation dinner, grand openings for new businesses, and others, including representing Albany in the Maid of Alameda County Contest, and at Albany Day at the County Fair.

She will also be expected to appear at Albany Jaycee sponsored events, and may make some radio and television appearances.

Although the Jaycees expect to keep the new Maid of Albany busy throughout her year, they will make every effort not to interfere with her classes, if the winner is still a student.

To qualify to enter for the Maid of Albany contest a contestant must:

- 1) Have been a resident of Alameda County continuously since Dec. 1, 1971, and a resident of California since Aug. 1, 1971.
- 2) Be single, and never have been married.
- 3) Be not less than 17 years, as of Aug. 1, 1972, and not more than 25 years.

Contestants will be judged 90% on beauty of face and figure, and 10% on poise and personality. Contestants will appear in swim suits, street clothes and "after-five" apparel. However, no hair pieces, wigs, wigs, artificial eyelashes or other appurtenances will be permitted, and all contestants will be required to wear a basic pump shoe.

If the winner is employed, it is understood that she will have to make arrangements with her employer to be available when requested by the City, Chamber of Commerce or Golden Gate Fields. No employees of Golden Gate Fields will be eligible to enter.

MEMBERS of Albany Little League's Ways and Means Committee are having a bit of difficulty in mailing the 1972 sponsor's renewal pleas, because they are in larger mailers than in the past. League President Jim Scoggins (center) wonders just how Del Wisenor (left) and Fern Luoma will be able to get the oversized mailers in the mail box... but he wishes them "lots of luck."

Council To Consider Proposed Charter Amendments For Ballot

The Albany City Attorney has been instructed to prepare sample resolutions on several proposed Charter Amendments, for consideration and possible change by the Council.

Charter Amendments discussed by Council members at previous workshops which will be up for consideration include:

- 1) The modifying of the title "maintenance man" in the Fire Dept. to read in the future, "hose man, alarm maintenance man."
- 2) The elimination, from Section 49, of the position of "patrolman-clerk."

The two items which caused the most discussion among Council members were numbers 4 and 5. "Parity pay" has long been an issue for debate among Council members, department heads and others, and the Council will probably hold more discussions and work sessions on the subject before coming to an amicable agreement.

Councilmen appear uncertain about "lateral entry," which would enable patrolmen from other police departments to enter the Albany Police Dept. at a level within patrolmen steps corresponding to their years of service in that rank, or higher rank, in other police departments.

Councilman Lew Howell indicated he did not feel it would be fair to our policemen. "We are just a small community trying to keep our young policemen, who all started on a 1-year probation

period. I feel it would be unfair to them," he stated.

In other action at Monday night's meeting the Council accepted the City Treasurer's letter of resignation "with regret" and instructed City Attorney Larry Heller to prepare a resolution commending Marietta Ferreira for her 2½ years of service to the city, including 14 years as City Treasurer. Her resignation will be effective April 19, 1972.

The Mayor also requested an announcement that the position of City Treasurer will be open, and that an ordinance be prepared setting the salary at \$900 per month for 4 years.

January 24 was the date set for public hearings for use permits for Mrs. Don Dowling to operate an antique shop at 856 San Pablo Ave., and for Floyd R. Huckaby, owner of Huck's Press Service, 920 San Pablo, to expand his present printing facilities.

The original plan for canvas awnings at Sam's Pharmacy was judged unfeasible, and would create a hazard for the Fire Dept. Bernie Mander, owner-operator of Sam's, indicated he was attempting to modify the plans and would submit revised drawings for Council approval very soon.

Councilman George Hein indicated his original appointee to the Traffic and Safety Commission's associate members was too busy to accept, and recommended that Michele Myers of 1333 Marin Ave. be his appointee in place of Greg Haza, a civilian.

Resolution No. 72-01, confirming the Council's appointments to the above mentioned non-voting, associate members of the Traffic and Safety Commission, as well as Resolution No. 72-02, authorizing the Mayor to execute amendment to agreement between the City of Albany, Vince Nicora and the Albany Landfill Corp. were introduced and adopted; and Ordinance No. 72-01, amending Ordinance No. 71-07, concerning the Masonic Ave. undergrounding, was up for its second reading and received unanimous Council approval.

In voting for the Landfill Corp. agreement, Councilman Richard Clark again voiced his opinion that the "faithful performance" bond rate should be higher than indicated in the agreement.

At the close of the meeting, Councilman Carlevaro announced he had received a memo from Superintendent of Parks and Recreation, Bud Rooney, stating there would be a meeting in the City Hall Conference Room on Jan. 13 to discuss the renovation of Memorial Park and a review of the General Plan. The meeting will begin at 7:30 p.m., and interested persons will be

Albany Mothers' March Leaders Re-Appointed

When you find good workers and enthusiastic supporters these days, it is wise to hold onto them, and that is just what the Albany County Chapter, National Foundation-March of Dimes is doing in Albany.

Mrs. Lorin Baum and Mrs. Lee Seidell, two hard-working ladies who acted as co-chairmen for the Albany Mothers' March in 1971, have been named again to head the 1972 March, set for the last Tuesday in January.

For Mrs. Baum, this will be the eighth year as chairman, and will mark nearly 10 years as a marcher. Mrs. Seidell is an 18-year volunteer, having performed her first volunteer marching for the March of Dimes as chairman of her high school area.

Both ladies carry heavy schedules of service to the community.

Helen Baum, a 26-year resident of Albany, is an associate mem-

ber of Elm Branch of Children's Hospital Medical Center, a member of the Navy League of the United States, member of the Albany Republican Assembly and Albany Republican Women's Club. An active member of the Richmond Golf and Country Club, with a 13-handicap, Mrs. Baum is the originator of the annual March of Dimes golf tournament. For this, and other of her activities, Mrs. Baum was honored as 1971 Volunteer of the Year by the March of Dimes, and was saluted by radio station KABL as Citizen of the Day. For the past two years, she has also been a member of Soroptimists Club of Albany.

Lorin Baum in the owner of Monarch Manufacturing Company in Berkeley. The Baums have two lovely daughters, one, Lorene, a professional model and the other, Lelana (Mrs. Robert Crayne) a school teacher in San Bruno.

Marjorie Seidell was presented a plaque for her services to the March of Dimes in 1971, is an honorary life member of PTA and a member of the Berkeley Red Cross Board. She is also active in Church work, having served as president of the Episcopal Church-Women of St. Mark's and clerk of the vestry.

She and her husband, Lee, state executive director of Agricultural Stabilization and Conservation, are the proud parents of two sons and the happy grandparents of two young grandsons.

In addition to her role as co-chairman of the Mothers' March, Marjorie Seidell is presently serving as group organization chairman for District II, Camp Fire Girls, and candy product sales chairman for the Codornices Council of Camp Fire Girls for 1972.

The ceramics class will be concerned with hand-built ceramics and sculpture. Many new and innovative methods of handbuilding will be explored. Each student will be encouraged to work on individual projects utilizing the new knowledge gained in class.

MAYOR HUBERT CALL (left) presents retiring city employee, Elda Foott, with a special Council Resolution, accepting her resignation "with regret," while Elda's former boss, James Turner (standing right) and her husband, Ollie (seated) look on.

Albany City Employee Honored On Retirement

Approximately 72 co-workers, friends and relatives attended the retirement dinner held for long-time community worker and city employee, Elda Foott, on December 30.

Nancy Ramos, president of the Albany Municipal Employees Association presented Elda with a monetary token from her fellow members in the Association; Mayor Hubert Call presented her with a Council Resolution and Administrative Officer James Turner presented her with a poem he had composed in her honor, which was quite a "switch," as Elda was known as the poet lauret of City Hall and was always called on to compose a verse for the many social events on their calendar.

Among those attending the dinner, besides City Council members and her co-workers, were: Albany School Superintendent, Ken Forry, a former schoolmate of Elda's at Fremont High School; her husband, Ollie; her son Jerry and daughter-in-law Diane, from Berkeley; Mr. and Mrs. Burton Davis of Palo Alto, her brother and sister-in-law; and her husband's sister and brother-in-law, Mr. and Mrs. Jack Thomas of Oakland.

The following poem, composed by Jim Turner, covers Elda's activities from the time she was a member of the Traffic and Safety Commission, appointed by Councilman Bill Donahue, and her membership in the Planning and Zoning Commission as Councilman Lew Howell's appointee, through her years as secretary to the P&Z Commission and finally

KURT K. BERNARD

Navy Seaman Apprentice Kurt K. Bernard, son of Mr. and Mrs. Andrei W. Simie of Berkeley, recently graduated from recruit training at the Naval Training Center in San Diego.

The seaman is a 1971 graduate of Albany High School.

Right behind them was Elda who knew what to do

Shorthand, typing and calls from Kathie
All preceded the trips through old Truckee

Weight watching contest and phases of the moon
All were activities of Elda's platoon

Council debriefings, three bells a ringing
Had much to do with the tune she's singing

Now she's heading up to old Tahoe
So she and Ollie can rock to and fro

And as they rock and reminisce
There will be those they really miss

While back at the sweat shop we shall all be
Wishing the best to our new retiree.

Aliens Must Register Now

The law requires that all aliens in the United States, with few exceptions, must report their current addresses each January. Throughout the U.S. almost 40 percent more applications for naturalization are received during the months of January, February and March, than during any other months of the year.

Aliens not required to make this report are diplomats and those persons accredited to certain international organizations.

Forms for making the reports will be available to aliens at the Albany Post Office, and at Window 20 at the main Berkeley Post Office.

These forms must be filled out completely and returned to the Post Office no later than Jan. 31. They will then be checked by postal personnel, who will then forward them to the U.S. Naturalization Service.

ORDINANCE NO. 71-026
AN ORDINANCE OF THE CITY OF ALBANY AMENDING ORDINANCE NO. 61-011 (ALBANY ZONING ORDINANCE).

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:
Section 1: That Ordinance No. 61-011 (Albany Zoning Ordinance) is hereby amended by adding Section 1.1 to Article 2.0, which said section shall hereafter read as follows:

"Article 2.0. Establishing Regulations Within District.
"Section 1.1. Interim Sign Control Regulations on Solano Avenue.

(a) Notwithstanding any other provision of Article 2 and all sections contained therein, no sign, whether freestanding, projecting, roof, marquee, flashing, moving, appurtenant, nonappurtenant, or wall signs, or otherwise shall be erected, constructed or installed in the C-1 and C-2 Districts on Solano Avenue in the City of Albany without first obtaining a use permit as provided in Ordinance No. 61-011.

(b) In order to grant any use permit as provided in (a) above, the findings of the Planning Commission shall be that the installation and maintenance of said sign(s) applied for will not, under the circumstances of the particular case, be in derogation of or in conflict with the principle and design consideration of the Solano Avenue Beautification Project as heretofore approved and which will be in keeping with the character of the area and the orderly and harmonious development of the Solano Avenue Beautification Project.

(c) The use permit required as provided in (a) above shall not apply to any sign which had, prior to March 1, 1971, architectural and site approval as provided in Ordinance No. 61-011.

Section 2: Section 1.1, as hereinabove set forth, shall remain in full force and effect until March 31, 1972, or until it is amended or repealed, whichever first occurs.
Section 3: This Ordinance is declared to be an urgency or emergency ordinance of the City of Albany for preserving the public peace, health or safety. The reason for the urgency connected with this Ordinance is to provide that the beautification on Solano Avenue, now in its final completion stages, will be enhanced by any signs so erected. Further, the Planning and Zoning Commission has been preparing revisions to the sign control regulations, which revisions have not, as yet, been consummated, and the regulations contained in this Ordinance are necessary to preclude installation of signs on Solano Avenue which may be in conflict with the principles and objectives of the Solano Avenue Beautification Project.

Section 4: This Ordinance shall become effective immediately upon its passage by a 4/5 vote of

the City Council pursuant to Section 7 of the City Charter of the City of Albany.

Resource Volunteer News

By Anita Tronoff

Help is needed at once at Cornell School in the following capacities:

1. A first grade teacher who is attempting to operate an "open classroom" (bless her enduring spirit) needs volunteers to help in this type of classroom organization.

Volunteers must be interested in children of this 6-year age group, flexible as to classroom needs, work without constant supervision, and remain calm (teacher said than done). Can you fit these specifications? Of course you can. So, at this moment call Mr. Shogren, Cornell School principal, at 525-7873 and tell him you can work between the hours of 10 and 12 on Monday or Wednesday or Friday, or

a combination of these days. Thank you.

2. Volunteers to supervise "quiet games" at noon in the Math Lab are needed. What are "quiet games?" Well, let me tell you. Quiet games are chess, checkers, games to stimulate thinking, creativity games and puzzles.

Let me stress that it is strictly a supervising volunteer we need, one who has an interest in children. A Ph.D. in Math is not required, but if such individuals wish to volunteer—welcome. Supervision is needed Monday through Friday between 12 and 1. The service you render provides a duty-free lunch period for the teacher, as required by state law, and provides the student a change from fighting the asphalt jungle playground. Why not call Mr. Shogren and volunteer your services for one day or more. You might learn something. Yes, at your age you can still acquire knowledge. What you do with it is your business. Thank you for volunteering.

TV Sets Awarded

Michael McMahon, son of Dr. Robert McMahon of Albany, and W. G. Barns of Pinole, were the lucky winners of color television sets, awarded by Jim Woulfe Ford, as part of the dealership's service program for their customers. The awards were made by Jim Woulfe, dealership president, and Bert Park, service manager.

Nearly 100 area residents took advantage of the free offer to prepare their cars for winter driving, by obtaining a winter cooling system checkup during November and the early part of December. At this time they could also register for a chance to win a 14-inch color Philco-Ford portable television.

Nationally, 1000 television sets were awarded by Ford Customer Service Division and participating Ford and Lincoln-Mercury dealerships.

The Flower Garden

(Ed. note: The following poem was written by 95-year-old Thomas W. Young of Ventura Ave. in Berkeley, in memory of his dear friend Margaret B. Donaldson, well-known civic leader and long-time PTA member.)

Dear Berkeley Hills look down and see
What Bonnie Scotland sent to thee,
A lover sweet that dreams of you,
A Scottish Lass so sweet and true.

She sings your praise from day to day,
But still her heart is far away,
In dreams of home and blooming heather,
How sweet again to be together.

The violets look so modest and sweet,
And pansies thoughtful, timid and meek.
Trees give her welcome, waving each wand
To welcome her back, to Bonnie Scotland.

But it's only a dream and soon flies away,
With dream faces fading in the light of day.
The hills she adopted, and flowers so dear,
Bring back old memories and often a tear.

Noted Sculptor Dies in Hawaii

Private funeral services were held recently in Hilo, Hawaii, for one-time Albany resident & well-known sculptor, John Roberts, brother of George Allen Roberts of Albany.

The sculptor, who had gained an international reputation for his works in ivory and native Hawaiian woods, was 54 years old at the time of his death, and had lived in Albany in his youth, attending Albany High School when it was known as Herbert Hoover Junior High. He had been a resident of the Islands since 1937.

Services were held in Kilauea-Iki's Desolation Trail area, one of his favorite island spots. Ashes were spread on Mauna Loa by plane.

Drug Abuse Center Head To Address Albany Group

Mrs. Raymond De Jong, Albany High School PTA program chairman, has announced that the Rev. Stan Way of Teen Challenge will be guest speaker at the Jan. 13 PTA meeting, which will be held in the school cafeteria, commencing at 7:30 p.m.

Teen Challenge, a narcotic re-

habilitation center, is located at 1464 Valencia St., in San Francisco. Rev. Way has been actively involved with the Center for the past three years, and at present is serving as the Executive Director, responsible for the entire operation of the Center.

Teen Challenge provides live-in facilities as well as out-patient services for both young men and women who are victims of drug abuse. Stressing a Christian way of life in their program, the Center has had unparalleled success with these drug-abuse victims.

The Center, representing the National Council for the Prevention of Drug Abuse, is recognized as a national leader in a total "prevention through education" program.

Rev. Way, now 25 years old, attended Foothill, San Francisco State and Bethany Bible Colleges, receiving a B.S. degree in theology, with a minor in psychology.

Besides his involvement with Teen Challenge, he has also worked with addicts in the Fillmore, Mission and Haight-Ashbury districts in San Francisco, and with prisoners at San Quentin. He also lectures at schools and before civic organizations on "Drug Involvement of Our Youth."

Mrs. James McWilliams, AHS PTA president, will preside over a short business meeting, immediately preceding the program.

Tenth grade mothers will serve refreshments following the program. All parents, teenagers and other interested persons are welcome and urged to attend this very important and informative meeting.

TIRE TROUBLES

Tires are much more easily cut on wet roads, notes Liberty Mutual Insurance Company. If you should get a flat tire, pull as far off the road as possible, and set up some type of flare or reflective device so that oncoming traffic will see you.

The Youth Choir will sing at the 7 o'clock evening services, followed by a flute and mandolin duet by Barbara Williams. Dr. Julianel's sermon will be "Slaves in Free America."

The public is cordially invited to attend.

How is life actually sustained?

Services at Albany Christian Science Society, 1358 Marin Ave., are conducted by Mrs. Marie Taylor, the First Reader, and Mrs. Norman Leake, the Second Reader. The Sunday services begin at 11 a.m. Everyone is invited to attend.
